

Privacy Policy

vocabAI (vocabai.net)

We value your privacy.

This Privacy Policy explains how vocabAI (vocabai.net) collects, uses, and protects your information.

1. Information We Collect

- Our app only requests and stores your email address in our system.
- Other personal information such as your name, surname, or country is not required. If you enter such information into the app, it is not stored in our system and is only visible to you on your device. We cannot access or retain this data.

2. Use of Information

- Your email address is used to send you updates about the app, requests for feedback to improve our services, or news related to vocabAI.
- If you subscribe to our premium paid plan, your email address will also be used to manage your subscription and send service-related notifications.
- We do not use this information for other purposes, such as advertising or marketing.

3. Information Sharing

- Your email address is not shared with any third parties.

4. Payment Processing

- If an error occurs during the payment process for the premium plan, you can directly contact us at support@vocabai.net or through the in-app online chat to resolve the issue.

5. Use of Cookies

- We may use cookies in our app or on vocabai.net. Cookies are small data files stored on your device to enhance your experience with our app.
- Cookies may collect general information such as device type or in-app settings and are used solely to improve the performance of our app.
- This information is not shared with any third parties.
- You can disable cookies through your device settings, though this may affect some features of our app.

6. Data Security

- Your email address and any data collected via cookies are securely stored and retained only for as long as necessary to provide you with our services.

7. Your Rights

- If you wish to have your email address removed from our system, manage your premium subscription, or have questions about our app, you can contact us.

8. Changes to This Policy

- If we make changes to this Privacy Policy, we will notify you through the app or via an email notification.
